Headteacher: Mrs S Littlewood

Dear Parents/Carers

We are delighted to confirm that we are able to accept tax-free childcare vouchers for specified activities within the rules of the Government Tax-Free Childcare Scheme. The scheme is available for primary age children and for every £8 you pay into your account, the Government will pay in £2. Please click on the link for further details:

<https://www.gov.uk/tax-free-childcare>

These vouchers can be used to pay towards breakfast club and afterschool wraparound care fees and after school clubs. We are unable to accept these vouchers for any holiday clubs (as these are run by an external provider) educational visits or residential trips. If you would like to use this scheme and are eligible, you will need to create a childcare account through GOV.UK and use the following details to find us:

Harthill Primary School  
URN number: 146492

Once you have registered and made a payment to us for wraparound care/after school clubs, please email us with the date of the transaction, payment reference and amount paid. Once we are able to confirm the payment we will enter this information onto School Money. Please note that your school money account may look like it is in debit until we can confirm and add the voucher.

If you have any queries regarding the scheme you can contact the Childcare Service helpline on 0300 1234097.

We also accept childcare vouchers purchased via your employer. We are currently signed up to Edenred and Bravo Benefits. If your employer offers other childcare voucher schemes, please contact the school office and we will sign up to accept them.

If you have any queries, please do not hesitate to contact me.

Kind regards

Nic McMullen  
School Business Manager
