Dear Parents/carers,

Harthill Primary School is a cashless school and we use the online payment system SchoolMoney. This means that payments for all school expenses, such as breakfast club, after school clubs, educational visits etc. are all made online with your debit or credit card.

This payment system benefits both us as a school and you as a parent. Not only will you be able to pay for items from the comfort of your own home but you can also book the wraparound care clubs (breakfast and after school) through the app. SchoolMoney enables us to experience a more streamlined, cost-effective and efficient payment system in a secure and safe environment.

You won't need to sign up to this system as this is done automatically through the school. If you already use the Eduspot app for receiving text messages your payment account will already be visible within the same app –look for the SchoolMoney button.

To log into SchoolMoney, visit the website www.eduspot.co.uk and click on the sign in button in the top right hand corner. In the drop down, select the SchoolMoney Parent Login option and this will send you through to a page where you need to enter your mobile number, email address, the password we have sent to you, and your child's first name.

If for any reason you are struggling to log in, it may be because you have not provided us with the correct contact details. Please let us know immediately if either your mobile number or email address changes.

Please do not hesitate to contact the office if you have any difficulties with this system. We are also able to take payments for you over the phone if you are struggling to log in.

Yours sincerely,

Nicola McMullen
School Business Manager
