

Children's University Easter Challenge!

Get creative!

Take part **ootiboo's** Easteroo competition! Draw, paint, make or bake your Easter creation based on either of the themes: eggs, and spring! Find out more and how to submit your entry:

tinyurl.com/easteroo24

Get out in nature!

It's the start of Spring! Get out in your garden, park, or neighbouring streets with some pens and draw the changes you see in nature.

Look for new flowers, changing colours in the trees, and signs of bird and animal life.

Get socially active!

Easter Eggs are notorious for having lots of packaging. Why not write a letter to a chocolate manufacturer or your local supermarket to find out what they're doing to help reduce waste!

Things to do this Easter!

Each activity is worth 1 credit.

To get a stamp code for *Children's University Online* email

contactus@childrensuniversity.co.uk

with evidence - this could be a photograph, video, a work sheet, or writing about what you did! All activities require adult supervision.

The supervising adult is expected to manage all activity risk.

Get scientific!

STEM with Mr N is a fantastic YouTube channel for science experiments you can do at home. Explore Mr N's channel and find something that excites you. Fake blood, glow in the dark drinks, and dinosaur fun.

Go explore!

youtube.com/@STEMwithMrN

Get challenging!

Create a virtual egg hunt for a friend or family member around your home, garden, or local park.

Plan a trail in advance and give them clues to find the next stop on the trail.
